What our happy customers say:

"As a mother of two young boys, I find Agoo clothing fantastic. It wears well, keeps them cool, and best of all, it protects them from the sun while they are out playing. They wear Agoo to the beach, to the park, to soccer training, and in and out of the water. We'd be lost without our Agoo!"  
**Sarah, Mordialloc VIC**

"My children ask if they can wear their Agoo clothing, especially for the beach, the pool, at the park and even circus classes. It suits all activities and they are comfortable all day."  
**Sue, Wollongong NSW**

"I must give you some feedback on the Glamour Pants and Wave Tee I ordered. How well do they wash? Just brilliant! My daughter spill strawberry all down the front of her top at the park and the pants received a good work-out with grass stains and dirt, but they come up like new. I was very impressed."

Did you know about our features...

**UV PROTECTION**

Agoo clothing has a 35 to 50+ UV rating, designed to protect your kids from the sun's harmful Ultra-Violet rays!

**WICK AWAY**

Your kids will stay comfy and dry with Wick-Away fibres that pull moisture away from the skin.

**STAIN RESISTANCE**

Stain Resistance makes washing easier and has clothes looking newer, longer. Mums love that!

**4-WAY STRETCH**

Super 4-way stretch lets kids have fun so they can do the things they love to do! All day, every day!

**LET'S GROW**

Agoo realises how quickly kids grow, so we add extra length in the body and sleeves.

Stretch garments can fit snug or loose - Size according to what your child likes best.  
 Agoo garments contain either 90% Nylon/10% Spandex or 88% Polyester/12% Spandex.  
 Agoo's pants are generous in length and one size longer than usual.

Agoo's Size Chart is based on average measurements in order to help you find the garment to fit your child best. However, because sizes may vary from body to body, we can only offer this as a suggestion and can not be held accountable for age/size discrepancies on your child.
